HERE'S WHAT PEOPLE ARE SAYING

"I love the Colon Toddy and it tastes good. What I like most about it is that it does a gentle job and when I take it I do not have to worry about having a bowel problem when I go out. This product does what I want it to do and I recommend it to my friends." --- Linda, OH

Death Begins in The Colon!

Use Colon Toddy to encourage healthy bowel movements and gently detoxify your colon. Once ingested, Colon Toddy passes through the stomach into the small and large intestines where it swells with water, helping to form a softer, larger, more consistent stool. This increased bulk acts like a nutritional "scrub brush" sweeping the sides of your colon and removing potentially harmful toxic debris that has been there for who knows how long.

Our special probiotic (acidophilus) contains strains of acidophilus cultures and nearly 1 billion healthy intestinal flora per serving! Remove Harmful Toxic Debris! Use Healthy Habits® Colon Toddy to see, feel and taste the difference!
