HERE'S WHAT PEOPLE ARE SAYING

"I would recommend Healthy Habits® Ecklonia Cava! I got it because my knees were bothering me. I was a mess! Since taking the Ecklonia Cava I am a lot more relaxed, less stressed and even I sleep better. I just need to add that the folks at Healthy Habits® have been the most helpful."

The Super Antioxidant!

The secrets of the sea are miracles waiting to be discovered! Sea water is full of life-supporting and energizing nutrients. During the 19th century a French doctor named René Quinton discovered that sea water is 98% identical to blood. Therefore, it makes sense that one of the most well-researched, life-changing nutrients is from the sea. Healthy Habits® is proud to bring you Ecklonia Cava! This product may forever change your life. Its benefits are countless and the research is staggering. If there was ever one supplement that can seemingly do it all, this is it.

The potency of an antioxidant is often determined by its molecular structure, which is made up of rings. Most antioxidants have three connected rings. Ecklonia Cava has up to eight interconnected rings, making its free-radical scavenging ability 10X-100X times more powerful than other antioxidants!
