Cleanse Your Blood and Cleanse Your Body!

Toxins are everywhere and unavoidable. For best health and consistent energy, our bodies need daily detoxification. Supplementing daily with a superfood, such as Greenergy™, is one of the best ways to help your body detoxify gently and effectively on an ongoing basis. Green foods contain chlorophyll which helps blood cells deliver oxygen throughout the body. Chlorophyll has been shown to eliminate body odor, clean the digestive tract, help detoxify the liver and eliminate molds and accumulated heavy metals from the body.

Healthy Habits® Greenergy™ is a refreshing, taste great and we guarantee you will love it! Greenergy™ can also help to balance your pH levels. Many experts believe that high levels of acidity may lead to a host of health issues. For less than the cost of a can of soda, reap the benefits of drinking Greenergy™ daily.
