Fall Asleep Faster and Sleep Better!

Do you suffer from “light” sleeping, or waking up at all hours of the night? Are you so overanxious that it is difficult to fall asleep? If so, you are certainly not enjoying the kind of deep restful sleep you need. When is the last time you awoke rested and feeling great?

Good news! Healthy Habits® natural and delicious Night Tea will help you solve those unpleasant sleep issues. Each conveniently-sized bottle makes 30 cups of a delicious tea like beverage; just add 2 drops to hot, warm, or even cold water and enjoy the sweet and light chamomile mint taste. The chamomile, lavender, and essential oils contained in Night Tea will help make you relaxed and drowsy so that you can enjoy full, restful sleep when you close your eyes.

HERE'S WHAT PEOPLE ARE SAYING

“I absolutely love the Night Tea! I normally fall asleep in 20 minutes and I sleep like a baby. If I wake up during the night it doesn't take me very long to get back to sleep. I truly love this product!” --- Lavern, MN
